

## 78 rpm ALBUM SETS - INSTRUMENTAL and VOCAL

Most of the records are in exceptionally fine condition. Albums, however, vary from original to generic replacements. The packing boxes I use will not fit oversized albums so records will be sent in sleeves **unless you specifically request the album**. Albums will be described. Grading represents the condition of the records. Albums can be shipped in the U.S. at reasonable book rate. Overseas, however, the cost is \$25.00 for one album (empty, records send under separate cover). This is, alas, what our postal system charges.

### INSTRUMENTAL SETS

4531. **HAROLD BAUER** [pianist] and **FLONZALEY QUARTET**. **QUINTET IN F MINOR, Op. 34** (Brahms). "Z" shellac. Orth. Red Vla. Set M-10. IMs. (6571 – 6575). Ten sides.
